

CALL FOR PAPERS

ICPFGM 2020
Dec 17-18, 2020
Kuala Lumpur, Malaysia

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICPFGM 2020 : International Conference on Plant Food and Gut Microbiota is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Plant Food and Gut Microbiota. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Plant food, nutrition and human health
Dietary plant bioactives
Phenolic compounds
Carotenoids
Glucosinolates and sulfur compounds
Alkaloids

Colonic metabolism
Gut microbiota
Bioavailability
Bioactivity
Human intervention trials
