

CALL FOR PAPERS

ICCSB 2020
Dec 10-11, 2020
London, United Kingdom

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICCSB 2020 : International Conference on Cellular Systems Biology is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Cellular Systems Biology. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Cellular systems biology
Genomics
Proteomics
Metabolomics
Metabolic reconstructions

Enzymology
Protein-protein interactions
Cytomatrix organization
Cytology
