

# CALL FOR PAPERS

**ICGUDP 2020**  
**Dec 10-11, 2020**  
**London, United Kingdom**

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICGUDP 2020 : International Conference on Global Urban Design and Planning is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Global Urban Design and Planning. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Active transportation  
Architectural and urban design  
Architecture and landscape architecture  
Biodiversity: Wildlife habitat and linkage
