

CALL FOR PAPERS

ICHTS 2020
Dec 10-11, 2020
London, United Kingdom

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICHTS 2020 : International Conference on Heat Transfer Systems is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Heat Transfer Systems. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Biomedical engineering in fluid mechanics
Heat transfer in fire and combustion
Nuclear energy
Heat transfer in multiphase systems

Transport phenomena in materials processing and manufacturing
Heat transfer in electronic equipment
Heat and mass transfer in biotechnology
