

CALL FOR PAPERS

ICNP 2020
Dec 10-11, 2020
London, United Kingdom

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICNP 2020 : International Conference on Nicotine Psychopharmacology is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Nicotine Psychopharmacology. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Nicotine psychopharmacology
Addiction, cognition and neuroadaptation
Nicotine chemistry
Nicotine kinetics and metabolism
Mechanisms of action

Molecular genetics of nicotine metabolism
Sex differences in nicotine action
The neurobiological basis of nicotine discrimination
Rodent models of nicotine withdrawal syndrome
Pharmacotherapy for tobacco dependence
