

# CALL FOR PAPERS

**ICNP 2020**  
**Dec 10-11, 2020**  
**London, United Kingdom**

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICNP 2020 : International Conference on Nicotine Psychopharmacology is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Nicotine Psychopharmacology. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Nicotine psychopharmacology  
Addiction, cognition and neuroadaptation  
Nicotine chemistry  
Nicotine kinetics and metabolism  
Mechanisms of action

Molecular genetics of nicotine metabolism  
Sex differences in nicotine action  
The neurobiological basis of nicotine discrimination  
Rodent models of nicotine withdrawal syndrome  
Pharmacotherapy for tobacco dependence
