

CALL FOR PAPERS

ICMIE 2020
Dec 10-11, 2020
Rome, Italy

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICMIE 2020 : International Conference on Mechanics and Industrial Engineering is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Mechanics and Industrial Engineering. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Aerospace Systems and Technology
Applied Mechanics
Computational Fluid Dynamics
Fuels and Combustion

Fuel Cells
Green Manufacturing
Heat and Mass Transfer
Mechanical Engineering
