

CALL FOR PAPERS

ICTCTE 2020
Dec 10-11, 2020
Rome, Italy

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICTCTE 2020 : International Conference on Tea Chemistry and Tea Extraction is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Tea Chemistry and Tea Extraction. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Chemistry of tea derived
Chemical biology
Chemical measurements of growing
conditions
Tea extraction

Tea bioactivities
Tea and health
Metabolomics
Chemistry profile/sensory
attributes of prepared tea
