

CALL FOR PAPERS

ICUIUE 2020
Dec 03-04, 2020
Sydney, Australia

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICUIUE 2020 : International Conference on Urban Inequality and Urban Engineering is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Urban Inequality and Urban Engineering. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Urban inequality
The analysis of urban inequalities
Urban segregation
Gentrification
Urban fragmentation
Social polarization

Social vulnerability
Social exclusion
Gated communities
Evictions
Informal settlements
