

# CALL FOR PAPERS

**ICASI 2020**  
**Dec 24-25, 2020**  
**Vienna, Austria**

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICASI 2020 : International Conference on Architecture and Structural Integration is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Architecture and Structural Integration. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Structural integration in  
architecture

Integration of structural systems  
and architectural design

Structural and architectural  
design

Structural design in drawings and  
models

Structural framing and foundations

Digital technologies in  
architecture

Digital architectural design
