

CALL FOR PAPERS

ICCNCT 2020
Dec 24-25, 2020
Vienna, Austria

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICCNCT 2020 : International Conference on Communication, Networks and Computing Technologies is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Communication, Networks and Computing Technologies. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Communication, Networks and
Computing
Wired and Wireless Communication
Systems
High Dimensional Data
Representation and Processing

Networks and Information Security
Computing Techniques for Efficient
Networks Design
Electronic Circuits for
Communication Systems
