

# CALL FOR PAPERS

**ICDELA 2020**  
**Dec 24-25, 2020**  
**Vienna, Austria**

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICDELA 2020 : International Conference on Democracy and European Law Analysis is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Democracy and European Law Analysis. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

European law  
European immigration and asylum law  
European law analysis  
European law enforcement  
Democracy and global inequality  
Tobacco regulatory science:  
Bridging the gap between science and law  
Public health legal approaches to climate change  
Tribal environmental public health:  
Prevention via law, policy and practice

Practical guide to changing public health policies and laws  
Community experiments in public health law  
Vaccine policy surveillance:  
Emerging trends  
Alternate care sites: Legal issues, challenges and best practices  
Firearms, mental health and the law  
The changing legal facets of newborn screening  
Data, health information and local public health
