

CALL FOR PAPERS

ICDHW 2020
Dec 24-25, 2020
Vienna, Austria

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICDHW 2020 : International Conference on Digital Health and Wellbeing is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Digital Health and Wellbeing. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Digital health

The future of digital healthcare
M-health and mobile health
Healthcare and information technologies
Digital hospital management
Technology and infrastructure for healthcare
Nursing informatics

Healthcare and telemedicine
Healthcare and e-health
Healthcare and analytics
Big data analytics
