

# CALL FOR PAPERS

**ICHITM 2020**  
**Dec 24-25, 2020**  
**Vienna, Austria**

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICHITM 2020 : International Conference on Hematology, Immunology and Transfusion Medicine is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Hematology, Immunology and Transfusion Medicine. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

#### Hematology and Immunology

Leukemias and other malignant

hemopathies

Stem cell transplantation

Cellular engineering and organ and  
tissue transplantation
