

# CALL FOR PAPERS

**ICII 2020**  
**Dec 24-25, 2020**  
**Vienna, Austria**

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICII 2020 : International Conference on Illegal Immigration is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Illegal Immigration. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Illegal immigration  
Human migration and migration in the 21st century  
Reasons for illegal immigration  
Problems faced by illegal immigrants  
Methods of illegal immigration  
Illegal immigrant populations

Crimes of illegal immigrants  
Illegal immigration and problems  
Illegal immigration reform and immigrant responsibility  
Undocumented immigration and immigrants  
Immigration and economic growth
