

CALL FOR PAPERS

ICPST 2020
Dec 24-25, 2020
Vienna, Austria

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICPST 2020 : International Conference on Plastic Surgery and Transplantation is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Plastic Surgery and Transplantation. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Plastic Surgery	Discoveries in aesthetic medicine
Facial Plastic Surgery	Skin essentials for the plastic surgeon
Facial rejuvenation	New science in anti-aging
Skincare focus: Acne, scar and pigmentary disorders	Cosmetic surgery
Stem cells, PRP and regenerative aesthetics technologies	Rhinoplasty and otoplasty
Abdominoplasty	Breast reconstruction
Peri-oral rejuvenation	Craniofacial/Head, neck and cosmetic dentistry
Challenges in blepharoplasty	Hand and upper extremities track
Female genital surgery: labiaplasty and beyond	Non-surgical aesthetic procedures
