

CALL FOR PAPERS

ICSBAP 2020
Dec 24-25, 2020
Vienna, Austria

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICSBAP 2020 : International Conference on Silver-Based Antimicrobials and Pharmacology is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Silver-Based Antimicrobials and Pharmacology. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Mechanism(s) of resistance
Mechanism(s) of toxicity
Mechanisms of action
Delivery vehicles
Specificity
Cytotoxicity
Hemolytic activity

Binding of silver to biomolecules
Synergies with other
antimicrobials
Novel formulations
Nanoparticles
Novel coatings
Agriculture and animal use
Waste issues
