

# CALL FOR PAPERS

**ICUGILA 2020**  
**Dec 24-25, 2020**  
**Vienna, Austria**

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICUGILA 2020 : International Conference on Urban Green Infrastructure and Landscape Architecture is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Urban Green Infrastructure and Landscape Architecture. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Green infrastructure  
Water sensitive  
Stormwater management  
Soil and minerals  
Nutrient cycling  
Biota

Parks  
Public space design  
Private space  
Landscape architecture  
Remnant ecosystems
