

CALL FOR PAPERS

ICEOSE 2021
Jan 21-22, 2021
Amsterdam, The Netherlands

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICEOSE 2021 : International Conference on Essential Oils and Safety Evaluation is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Essential Oils and Safety Evaluation. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Essential oils
Sources of essential oils
Food-related microorganisms
Production of essential oils
Chemistry of essential oils
Analysis of essential oils

Safety evaluation of essential oils
Antimicrobial activity
Action mechanisms
Antioxidant activity
Volatile compounds
Therapeutic benefits of essential oils
