

CALL FOR PAPERS

ICAGS 2021
Jan 14-15, 2021
Bali, Indonesia

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICAGS 2021 : International Conference on Anthropology and Global Systems is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Anthropology and Global Systems. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Anthropology of globalisation
Social and cultural dynamics of globalization
Forms of global interconnection
Methodological and theoretical issues in the anthropological study of globalization
Specific global systems
Anthropological and sociological theory and ethnographic studies
Globalisation's consequences for individual lives and identities
Complex and shifting flows of people, ideas, images, capital and material
Global systems of production and consumption

Citizenship and mobility
Internet and other media
Tourism economies and imaginaries
Cross-cultural consumption of goods and practices
Global phenomena
Individual and collective identities
Cultural homogenization and diversification
Social and economic inequality
Imaginaries and ideologies of commonality
