

CALL FOR PAPERS

ICAMMCS 2021
Jan 18-19, 2021
Bangkok, Thailand

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICAMMCS 2021 : International Conference on Advanced Musculoskeletal Mechanics and Cardiovascular System is

the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Advanced Musculoskeletal Mechanics and Cardiovascular System. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Human Biomechanics
Tissue biomechanics and modeling
physiological processes
Cell biomechanics and physiology
Biofluids
Cardiovascular system
Bioengineering and prosthetic
Musculoskeletal system
Biomechanics of sports
Impact biomechanics
Aging population
Theory of Biomechanics
Engineering Biomechanics
Musculoskeletal Mechanics

Biomechanics of Movement
Sport Biomechanics
Biomechanics in Ergonomics
Occupational and Impact Injury
Biomechanics
Clinical Biomechanics
Orthopaedic Biomechanics
Bone Mechanics
Biomechanics for Dentistry
Implants
Biomechanics for Orthotics and
Prosthetics
Biomaterials
Mechanobiology
Computational Methods in
Biomechanics
