

CALL FOR PAPERS

ICPPMAPS 2021
Jan 18-19, 2021
Bangkok, Thailand

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICPPMAPS 2021 : International Conference on Plant Physiology, Medicinal and Aromatic Plant Sciences is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Plant Physiology, Medicinal and Aromatic Plant Sciences. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Modern study of plant medicines

Phytochemistry

Plant derived pharmaceuticals by
molecular farming

Drug discovery from natural
sources

Herbal medicine

Natural products chemistry and
plant medicine

Plant physiology

Plant physiology and plant
biochemistry

Plant pathology and weed science

Crop production and market
analysis

Agricultural science and
agricultural biotechnology

Medicinal plants

Plant ecology and agro- diversity

Plant biotechnology and tissue
culture

Plant Genetics and molecular
biology of plant

Phytochemicals

Mycology and phycology
