

# CALL FOR PAPERS

**ICAPG 2021**  
**Jan 28-29, 2021**  
**Dubai, UAE**

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICAPG 2021 : International Conference on Archaeometallurgy Processes and Geophysics is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Archaeometallurgy Processes and Geophysics. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Archaeometallurgy  
Research methods  
Standards and practice for  
archaeometallurgy  
Archaeometallurgical processes and  
finds  
Non-metallurgical residues and  
materials  
Non-ferrous archaeometallurgy  
Ferrous archaeometallurgy  
X-radiography

Geophysics  
Geochemical tracers  
Archaeomagnetic dating  
Microscopic examination  
Chemical analysis  
Isotope analysis  
X-ray diffraction  
Archaeometallurgy and archaeometry
