

CALL FOR PAPERS

ICPHRE 2021
Jan 28-29, 2021
Dubai, UAE

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICPHRE 2021 : International Conference on Public Health Research and Ethics is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Public Health Research and Ethics. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

CSR in Public Health	Health Analytics
Disaster and Public Health	Health Behavior
Disability	Health Care
Environmental Public Health	Health communications
Equity Issues in Public Health	Healthcare costs
