

CALL FOR PAPERS

ICCE 2021
Jan 18-19, 2021
Rome, Italy

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICCE 2021 : International Conference on Consumer Electronics is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Consumer Electronics. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Entertainment & Services
Image & Video Processing
A/V Systems
RF&Wireless

Network Technology
Automotive Entertainment, Safety
& Information
Enabling Technology
