

# CALL FOR PAPERS

**ICEFT 2021**  
**Jan 18-19, 2021**  
**Rome, Italy**

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICEFT 2021 : International Conference on Eco Fashion and Textiles is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Eco Fashion and Textiles. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Sustainable fashion	Cellulose
Eco fashion	Protein
Sustainable clothing	Manufactured
Recycled clothing	Recycled fibers
Origin and purpose	Upcycled fibers
Textile recycling	Designers
Slow fashion	Organizations
Alternative trend against fast fashion	Controversy
Human impact on the environment and social responsibility	Future of fashion sustainability
Materials	Clothing donations
Environmentally friendly materials	Examples of charitable organization
Socially responsible methods of production	Controversy
