

# CALL FOR PAPERS

**ICEOLNNMCS 2021**  
**Jan 18-19, 2021**  
**Rome, Italy**

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICEOLNNMCS 2021 : International Conference on End-Of-Life Nursing, Non-Medical Care and Support is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of End-Of-Life Nursing, Non-Medical Care and Support. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

End-of-life nursing  
End-of-life care  
Non-medical care and support  
Pain management

Symptom management  
Ethical decision-making  
Medical professionals and  
end-of-life care
