

CALL FOR PAPERS

ICGESD 2021
Jan 18-19, 2021
Rome, Italy

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICGESD 2021 : International Conference on Green Entrepreneurship and Sustainable Development is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Green Entrepreneurship and Sustainable Development. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Green entrepreneurship	Ecopreneurship and sustainability transitions
Re-conceptualizations of green entrepreneurship	Eco tourism
Ecopreneurship, CSR, and corporate irresponsibility	Green business solutions
Indigenous communities and ecopreneurship	Green transportation
Sustainable business as social innovation	Green education- online education and virtual learning solutions
Resilience and environmental entrepreneurship	Green banking
Permaculture as green entrepreneurship	Green health care
Blue economy	Entrepreneurship opportunities in managing e-waste
De-growth	Green cities
Sharing economy
