

CALL FOR PAPERS

ICITCC 2021
Jan 18-19, 2021
Rome, Italy

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICITCC 2021 : International Conference on Information Technology, Communications and Convergence is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Information Technology, Communications and Convergence. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Hybrid information technology
Digital convergence
Multimedia convergence
Pervasive/ubiquitous computing and systems

Cloud computing
Trusted computing and security in convergence
Intelligent communications and networks
Bio-inspired computing
