

CALL FOR PAPERS

ICPAL 2021
Jan 18-19, 2021
Rome, Italy

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICPAL 2021 : International Conference on Prosthetics and Artificial Limbs is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Prosthetics and Artificial Limbs. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Prosthetics
Prosthetic technology
Advanced prosthetic leg technology
Amputee and prosthetic rehabilitation
Prosthetics and bionics
Human motions and kinetics
Advanced arm dynamics
Prosthetics design
The future in prosthetics evaluation
Limb prostheses
Current technology and manufacturing

Robotic prostheses
Prosthetic enhancement
3d-printed prosthetic limbs
Prosthetic arm technology
Mind-controlled prosthetics
Bluetooth technology in the prosthetics industry
Amputation and artificial limbs
Blind rehabilitation
Using electrical signals to restore functioning
Knee replacement
Wheelchair technology
