

CALL FOR PAPERS

ICPTSTC 2021
Jan 18-19, 2021
Rome, Italy

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICPTSTC 2021 : International Conference on Physical Therapy Science in Treatment and Care is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Physical Therapy Science in Treatment and Care. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Physiotherapy in treatment and care
Identifying and maximizing movement potential
Therapeutic exercise
Electrical modalities
Thermal modalities
Actinotherapy
Mechanical modalities

Manual physical therapy and assistive devices
Physiotherapy in cancer and cancer-associated conditions
Physiotherapy in HIV
Physiotherapy in neurodegenerative disorders
Physiotherapy in multiple sclerosis
Physiotherapy in respiratory disorders
