

CALL FOR PAPERS

ICRAVPM 2021
Jan 18-19, 2021
Rome, Italy

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICRAVPM 2021 : International Conference on Recent Advances in Veterinary Pain Management is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Recent Advances in Veterinary Pain Management. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Veterinary pain management
Role of veterinary medicine in pain control
Ethics of animal treatment
Animal well-being
Stress and pain in animals
Physiology and pathophysiology of pain

Pharmacokinetics, pharmacodynamics and drug administration
Local and regional anesthetic techniques
Physical therapy and rehabilitation
Acute and chronic pain management
Rehabilitation methods
