

CALL FOR PAPERS

ICUWSO 2021
Jan 18-19, 2021
Rome, Italy

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICUWSO 2021 : International Conference on Unconventional Warfare and Special Operations is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Unconventional Warfare and Special Operations. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Unconventional warfare
Unconventional warfare studies
History and strategic context of unconventional warfare
The theory and practice of unconventional warfare
Command and organization in unconventional warfare
Unconventional warfare operation types
Population-centric unconventional warfare operations

Analytic techniques for unconventional warfare analysis
Counterterrorism operations
The future of unconventional warfare
Effectiveness and performance of unconventional warfare
Modeling and simulation of unconventional warfare
Unconventional warfare in the real world
