

CALL FOR PAPERS

ICWSUMUNA 2021
Jan 18-19, 2021
Rome, Italy

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICWSUMUNA 2021 : International Conference on Web Site Usability Methods and User Needs Analysis is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Web Site Usability Methods and User Needs Analysis. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Web site usability

Usability and the design process

Usability methods for the design process

Requirements analysis

Conceptual design

User needs analysis

Task analysis

Information architecture

Mockups and prototypes

Page layout

Envisioning design

Usability in software development

Usability evaluation
