

# CALL FOR PAPERS

**ICA 2021**  
**Feb 08-09, 2021**  
**Amsterdam, The Netherlands**

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICA 2021 : International Conference on Arachnology is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Arachnology. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Arachnology  
Arachnids: spiders, scorpions,  
pseudoscorpions, and harvestmen  
Taxonomy and systematics for  
arachnids  
Anatomy or physiology of arachnids

The venom of spiders and scorpions  
Spiders in agricultural ecosystems  
Behavioral ecology  
Arachnological societies and  
journals
