

CALL FOR PAPERS

ICAFE 2021
Feb 08-09, 2021
Amsterdam, The Netherlands

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICAFE 2021 : International Conference on Advances in Forensic Economics is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Advances in Forensic Economics. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Economic damages in injury and death
Antitrust liability and economic damages
Unfair practices in international trade
Economic damages in copyright violation and patent infringement

Contract violations
Discrimination
Economic damages related to physical and emotional abuse
