

CALL FOR PAPERS

ICBBCM 2021
Feb 08-09, 2021
Amsterdam, The Netherlands

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICBBCM 2021 : International Conference on Bioinspired and Biobased Chemistry and Materials is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Bioinspired and Biobased Chemistry and Materials. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Green chemistry
Nanomaterials
Renewable energy
Stimuli-responsive materials

Adhesive/anti-adhesive materials
Functional polymers
Biobased chemistry and materials
