

CALL FOR PAPERS

ICHVACT 2021
Feb 08-09, 2021
Amsterdam, The Netherlands

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICHVACT 2021 : International Conference on Heating, Ventilation and Air Conditioning Technology is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Heating, Ventilation and Air Conditioning Technology. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Heating, ventilation and air conditioning
Heating, ventilating, air conditioning and refrigeration
Fundamentals of heating, ventilation and air conditioning
Hot water systems and refrigeration
Industry standardized design
Gas piping for heating or hot water appliances

Heating: generation, distribution, and dangers
Ventilation: mechanical and natural ventilation
Air conditioning
Energy efficiency
Air filtration and cleaning
HVAC industry and standards
