

CALL FOR PAPERS

ICMITSS 2021
Feb 08-09, 2021
Amsterdam, The Netherlands

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICMITSS 2021 : International Conference on Mobile Information Technologies, Systems and Services is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Mobile Information Technologies, Systems and Services. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

- Mobile information systems
- App development methods
- Context awareness
- Mobile APIs and services
- Mobile commerce
- Mobile learning
- Mobile navigation and assistance

- Mobile social network interaction
- Interoperability
- Mobile web
- Human computer interaction
- Social and mobile information systems
- New trends in mobile information systems
- Application of mobile information systems
