

# CALL FOR PAPERS

**ICMLIPNDS 2021**  
**Feb 08-09, 2021**  
**Amsterdam, The Netherlands**

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICMLIPNDS 2021 : International Conference on Machine Learning, Image Processing, Networks and Data Sciences is

the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Machine Learning, Image Processing, Networks and Data Sciences. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Machine Learning  
Computational Intelligence  
Network Security  
Affective Computing

Deep Learning  
Cognitive Computing  
Big Data Processing
