

CALL FOR PAPERS

ICMTM 2021
Feb 08-09, 2021
Amsterdam, The Netherlands

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICMTM 2021 : International Conference on Multimedia Technologies for Manufacturing is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Multimedia Technologies for Manufacturing. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Multimedia in manufacturing
Applications of multimedia in manufacturing
The design of multimedia systems in manufacturing

Current and future directions of multimedia technology in business
Future research on multimedia in manufacturing
