

# CALL FOR PAPERS

**ICPFSHN 2021**  
**Feb 08-09, 2021**  
**Amsterdam, The Netherlands**

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICPFSHN 2021 : International Conference on Philosophy of Food Science and Human Nutrition is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Philosophy of Food Science and Human Nutrition. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Food Metaphysics: Food as nutrition, food as nature, food as culture, food as social good, food as spirituality, food as desideratum, food as aesthetic object

Food Epistemology: Risk of food consumption, food and trust, practical reason of food consumption, the involuntary and the unconscious

Food Aesthetics: Food as art

Food Ethics: Responsibilities to self and others, food virtues

Food Technology: Genetically modified food, animal biotechnology

Food Politics: Food security, global trade, labeling and marketing

Food Identity
