

CALL FOR PAPERS

ICPPS 2021
Feb 08-09, 2021
Amsterdam, The Netherlands

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICPPS 2021 : International Conference on Parties and Party Systems is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Parties and Party Systems. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

- Parties and party systems
- Types of party systems
- Functions and organization in democratic societies
- Modern political party management
- Political parties, party systems and elections
- Party systems by country and region
- Organization and membership
- The members of a political party
- Education and training of the party members

- Political party programs
- Intra-party democracy
- Inner party conflicts and conflict resolution
- Party financing
- Political parties and their relation with civil society
- Political parties in parliament and government
- Political leadership
- Political parties in democratic regimes
