

CALL FOR PAPERS

ICRS 2021
Feb 08-09, 2021
Amsterdam, The Netherlands

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICRS 2021 : International Conference on Religion in Society is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Religion in Society. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Sociology of religion	Religion and health
Sociology of religion in late modernity	Religion and social identity
Social forms of religion and religions in contemporary global society	Religious identities and religious institutions
The evolution of the sociology of religion	Religion and the new immigrants
Religion and social change	Religion, political behavior, and public culture
Demographic methods for the sociology of religion	Religion and political behavior
The dynamics of religious economies	Religious social movements in the public sphere
Religion and spirituality	Civil society and civil religion
Religious socialization	Religion and violence
Religiousness and spirituality	Religion and socioeconomic inequality
