

# CALL FOR PAPERS

**ICSPDM 2021**  
**Feb 08-09, 2021**  
**Amsterdam, The Netherlands**

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICSPDM 2021 : International Conference on Social Pharmacy and Disease Management is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Social Pharmacy and Disease Management. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Social pharmacy  
Social pharmacy research  
Research in social and  
administrative pharmacy  
Evaluation of drug products,  
programs, or services  
Pharmacoepidemiology  
Medication adherence  
Disease management

Medication use policy  
Drug marketing  
Evaluation of educational  
paradigms  
Pharmacy practice  
Medicine use  
Pharmaceutical policy  
Pharmacy education
