

# CALL FOR PAPERS

**ICSPMUP 2021**  
**Feb 08-09, 2021**  
**Amsterdam, The Netherlands**

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICSPMUP 2021 : International Conference on Sustainable Place Making and Urban Policy is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Sustainable Place Making and Urban Policy. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Sustainable place making  
Urban and regional economic and political development  
Urban environmental and resource controversies  
Urban policy and governance  
Urban sprawl and redevelopment  
Urbanism and suburbanism as ways of life  
Urban geography, land use, transport and mobility

Landscape and urban wilderness  
Infrastructure, the built environment, and housing  
Community formation in cities  
Urban culture  
Rural development  
Globalization and local development  
Neighborhood sustainability
