

CALL FOR PAPERS

ICIT 2021
Feb 04-05, 2021
Bangkok, Thailand

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICIT 2021 : International Conference on Industrial Technology is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Industrial Technology. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Industrial Technology
Control Systems and Computational
Intelligence
Factory Automation and Industrial
Informatics
Robotics and Mechatronics
Embedded and Cyberphysical Systems
in Industrial Applications

ICT for Smart Grids
Renewable Energy and Power Systems
Electrical Machines and Drives
Sensors, Instrumentation and Signal
Processing
