

CALL FOR PAPERS

ICRSE 2021
Feb 11-12, 2021
Barcelona, Spain

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICRSE 2021 : International Conference on Railway Systems Engineering is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Railway Systems Engineering. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Railroad Infrastructure
Engineering
Rail Equipment Engineering
Signal and Train Control
Engineering
Service Quality and Operations
Research
Planning and Development

Safety and Security
Energy Efficiency and
Sustainability
Urban Passenger Rail Transport
Electrification
