

CALL FOR PAPERS

ICAMTP 2021
Feb 15-16, 2021
Istanbul, Turkey

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICAMTP 2021 : International Conference on Advanced Macroeconomic Theory and Policy is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Advanced Macroeconomic Theory and Policy. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Macroeconomic theories
Classical economics
Keynesian economics
Aggregate market analysis
IS-LM analysis

Monetarism
New classical economics
Business cycle theories
Marxist theory
