

CALL FOR PAPERS

ICABB 2021
Feb 11-12, 2021
Kuala Lumpur, Malaysia

The International Research Conference is a federated organization dedicated to bringing together a significant number of diverse scholarly events for presentation within the conference program. Events will run over a span of time during the conference depending on the number and length of the presentations.

ICABB 2021 : International Conference on Advanced Biofuels and Bioenergy is the premier interdisciplinary forum for the presentation of new advances and research results in the fields of Advanced Biofuels and Bioenergy. The conference will bring together leading academic scientists, researchers and scholars in the domain of interest from around the world. Topics of interest for submission include, but are not limited to:

Advanced biofuels
Nonfood crops for biofuels
production
Lignocellulosic biomass
Thermochemical routes
Syngas from biomass

Second generation biofuels
Microbial pathways for advanced
biofuels production
Synthesis of advanced biofuels
Advanced biofuels from pyrolysis
oil
Bio-economics
